SCAFFEX 25: Britains largest Scaffolding Exhibition

Celebrating all things British Scaffolding, and a great networking opportunity

SCAFFEX 25 is a 2-day event, hosted by **NASC** (the **National Access & Scaffolding Confederation**) and this year is held in **Manchester Central**, a great conference and exhibition centre in the heart of the City.

Thursday 11th September - Friday 12th September.

A FREE to attend event that celebrates the access industry - championing innovation and pride, mixed with various exhibits, stands and demonstrations showcasing some of the UK's best scaffolding companies (among others within the access industry)...
... plus in the evening, a (paid) Gala, with the much anticipated "**Scaffolding Excellence Awards**", also presented by **NASC**, with various guest speakers from industry leaders, to influencers and celebrities.

Off the success of last years "SCAFFEX 24" in Belfast, Northern Ireland, plans were made to make the event bigger and better than ever.
With this year **NASC** looking for a more centralised location within the British mainland and after several possibilities were discussed, the vibrant and exciting City of Manchester - famed for its culture, music and of course, its 2 legendary English Football Teams was chosen.

Not only is this event a real positive shining light within British scaffolding, its also great place for networking opportunities, for not only scaffolding business owners, but also for the hardworking "boots on the ground" scaffolders, safety experts, scaffolding design engineers, working at height specialists, equipment and supply manufacturers etc alike, and even those looking to join our safety imperative and economically critical industry.

In short: Everyone is welcome to come and see the real (usually) hidden skill, dedication and background work that goes into sustaining the most important trade within the Construction Sector.

Theres plenty of hotel and parking options available, and **ULTRA ACCESS** has both our tickets and hotel booked and we cant wait to meet up with some of the industries best and brightest minds, legends and all within the scaffolding industry.
Please go to the **NASC.org.uk** website for more information and to book your tickets...
... we'll see you there, Friday 12th September.
