The Scaffs Prayer

Our Scaffolder who art at work,
hallowed be thy nick-name,
thy lorry come, thy job be done,
in cafe, as it is in pub.

Give us this day our daily banter,
and forgive us our wind-ups,
as we forgive no one who knocks our wages,
and lead us not into price work,
but deliver us from slashers.

For thine is the scaffold,
the spanner and the level,
from 8 'till 3,
Amen.
